OPEN final

OPEN final

The diagram illustrates a tournament bracket for the 'OPEN final' stage. It features 32 participants, numbered 1 through 32, competing in a single-elimination format. The bracket is organized into two main halves, each leading to a final match. The left half starts with participants 1-16 in the first round, 17-32 in the second round, and continues through the quarterfinals, semifinals, and final. The right half starts with participants 17-32 in the first round, 33-64 in the second round, and continues through the quarterfinals, semifinals, and final. The final match is between the winner of the left half (1) and the winner of the right half (31).
